

# Tibial Plateau Leveling Osteotomy (TPLO) Workshop

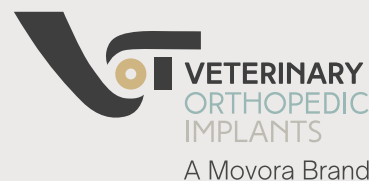

**December 12-13, 2024**

OKEAN Training Center - Belgrade, Serbia

Surgeon Registration: *EUR 990*

Surgical Resident Registration: *EUR 485*

Technician Registration: *EUR 99*

CrCL tears are some of the most frequent orthopedic injuries seen in canines. Learn to treat them yourself with **TPLO!**

You're experienced in bone plating and you've treated your share of cruciate ligament ruptures with extracapsular suture stabilization. Are you ready for TPLO? Enroll TODAY to join us and learn techniques to simplify, increase accuracy, and reduce complications so you can perform the TPLO procedure with confidence.
